(All subject specialisms considered)**

M1 – M6

Required for September 2022 or sooner if possible

We are seeking to appoint an enthusiastic and highly motivated teacher to join our school from September 2022. The role would be suitable for an experienced member of staff who has QTS or NQT who has recently qualified. There is a tailor-made whole school professional development programme to enable you to further develop your career at REACH School. All subject specialisms will be considered. An ability to teach more than one subject would be advantageous.

The successful candidate will teach across the school which provides education for students in years 9 - 11. REACH school offers a continuum of provision, providing swift access to learning for young people at risk of being out of education or those who have already fallen outside of mainstream settings. Benefitting from the powerful collaboration of the maintained schools of South Birmingham we are building on a track record of successful fresh starts following short-term interventions as well as discrete long-term alternative education pathways. You would be joining a supportive, committed and experienced team who work hard to deliver innovative and enjoyable lessons. In return for your hard work you will receive exceptional support and training.

If you have a strong desire to help students to achieve the best they can, regardless of their starting points, whilst fulfilling your own potential, then we would be very pleased to hear from you.
